DVD ELEGANCE

Color Inc. now offers **custom DVD cases** and matching DVD-Rs in matte or luster finishes. The cases can be paired with DVDs to match your brand and personalize client sessions; they include a slot for your business card, print release, or other information. Upload a custom design or use a free template. Free shipping. **Color Inc.**, \$24 per case, colorincprolab.com

PHOTO FOLDERS

These printed six-panel, tri-fold **Image Folders** have half-circle cut-outs for easy closure. Have the 6x11-inch folders custom printed to present your brand for marketing, enclose client package orders, or use as info kits for your sessions. A business card slot is optional. **ProDPI**, from \$50 for 25, prodpi.com

CREATE A CLUSTER

Create wall collages with designer groupings of **Canvas Gallery Wraps**, **MetalPrints**, and **ThinWraps**. Clusters and splits can be assembled with multiple images, or use a single image across all the prints for a dramatic mosaic effect. Free software helps you design the display.

Bay Photo, from \$82.80, bayphoto.com

WEARABLE ART

McKenna Pro's new **Metal Cuff Bracelets** are available in two widths (1-1/2 inches and 3/4 inch) and are size adjustable. The jewelry is available with a gloss or metallic finish. Choose one of McKenna Pro's professionally designed templates or create your own.

GUTTER-FREE BOOKS

Seamless Bind Books from Collages.net are printed on semi-luster or metallic photographic paper and have no gutters. Free design software helps you create these albums that are great for parents, senior packages, portrait sessions, and more. Square, horizontal, and vertical sizes range from 4x5 inches to 15x10 inches. Collages.net, from \$53, collages.net

GORGEOUS GREETINGS

Miller's Signature Letterpress embossed photo cards add sophistication to greetings and announcements or business cards. The cards are printed on 100-percent cotton fiber paper. The eight Signature Letterpress designs come in 5x7, 5x5, or 3x3 inches and eight colors. Ask for a sample kit to display in your studio. Miller's Professional Imaging, from \$1.42 per card (in multiples of 25), millerslab.com

MODERN IMAGES

LustreColor's newest custom-printed product is the premium Modern Image Album, featuring creaseless, double-page panoramas, and printed on your choice of Kodak Pro E, Kodak metallic, or giclée fine art paper stock. A variety of cover styles are available. The albums are delivered in a leather presentation box. Use the LustreColor album design service (\$40 for five styles), or design it yourself. LustreColor, \$199 to \$672, lustrecolor.com

HAND-PAINTED PORTRAITS

With Mid South's custom Painter Portraits, you can do the artwork yourself or leave it to the company's digital artists. After your image is digitally painted, it's output on giclée canvas, then hand-painted to rival a traditional oil portrait. Mid South Color Lab, prices vary, midsouthcolor.com
